Dear Marketing Friends,

You may be asking why we are offering such an incredible package at this low of a price, and you are right to be skeptical, but it's not what you think...

Well for one we want to help you as much as we can, but Alex and myself both have had some unfortunate events happen recently in our lives.

My mother had a stroke and due to the fact she cannot get medical insurance because of being on blood thinner most of her life, medical bills are stacking up left and right.

Added to that, she can no longer work right now so other personal bills are also adding up, so I have taken on the obligation to help pay as many of those bill's as I can for her.

If you are like me, family does come first and is my main priority my parents have given me so much as I was growing up (I'm now 24), so I want to be able to return the favor and help them for a change.

I Called A Friend...

So due to all the unexpected bills I have made an obligation to myself to help cover I need to earn some extra funds to do this with...so I called on my good friend, Alex Albert my partner from 7dollartemplates.com, Templates-In-A-Box.com and holidayminisites.com.

He is a fantastic graphic designer and one of my best friends, but he also had some very unfortunate events happen as well...

Alex's son which had to undergo some major surgery due to a problem with his throat, so Alex is also trying to earn some extra money to cover medical bills and the high cost of getting his son the best specialist money can buy.

So, out of the need to provide quality medical care for our loved ones, and that's why we are bringing you this outstanding value today, if you act fast!
